Chamber represents businesses on City's census committee

The Twentynine Palms Chamber of Commerce is the local business representative to the Complete Count Committee, formed by the City of Twentynine Palms in response to the 2010 census.

The volunteers on the Complete Count Committee aim to prepare an awareness campaign for Census 2010, creating an outreach for the hard-to-count populations of the city and educating the public that the census is safe, easy, and important. An accurate census of Twentynine Palms will help the community receive federal funds for community programs and services, education, housing, roads, public health and safety.

The next meeting of the Complete Count Committee is Thursday, September 17, 2009, at 4:30 p.m. in the City Council chambers. The public is welcome to attend.

If your business has questions or concerns about the upcoming census, please call the Twentynine Palms Chamber of Commerce at (760) 367-3445.
