Augie Enterprises

At its September board of directors meeting, the Twentynine Palms Chamber of Commerce welcomed a new member: Augie Enterprises.

Augie Enterprises opened on Oct. 1, 2009. It was formerly known as Collins Computer Innovations. Augie Enterprises currently has two divisions: CCI Computers and CCI Internet. It offers a full range of internet services, including dial-up, DSL, and wireless; computer repair, both in store and at the customer's location; and web hosting and domain name registration.

Owner Jason Collins said his business's goal is to provide Twentynine Palms with first-class computer and internet services with 100% U.S.-based technical support. The three employees have a combined 35 years of experience and all technicians are certified.

Augie Enterprises is offering 10% off everything in stock on Dec. 4.

Flower Garden

Betty Laferriere and her husband have owned and operated the Flower Garden in Twentynine Palms for 27 years. Betty's husband, Jerry, is a retired Marine.

The Flower Garden offers a wide variety of flower arrangements, green plants, and planter baskets. Betty said her most popular items are potted peace lilies and seasonal bouquets.

But it's more than just a flower shop – the Flower Garden carries complete lines of personal bath products, teddy bears, stuffed animals, ceramics, and candles. All items can be delivered.

Betty often gives her customers complementary cookies while they shop. She said her customers are one of the best aspects of her business.

“It’s fun every day and you’re always doing something new,” she said.

The Flower Garden is located at 5690 Historic Plaza in Twentynine Palms. It is open 9 a.m. to 5 p.m. Monday through Friday, 9 a.m. to 2 p.m. Saturday, and Sundays by appointment. It can be reached at (760) 367-1409. Its website is www.twentyninepalmsflorist.com.
