Chamber presents membership benefits to new members

All Twentynine Palms Chamber of Commerce members are welcome to attend the Chamber's next New Member Orientation session on Wednesday, September 9, 2009, at 6 p.m. in the Chamber board room. Jessica Wagner-Schultz will speak about the benefits of Chamber membership, including:

- marketing, by using free Internet services (MySpace, Facebook, etc.) or assistance with designing your business's rack card for placement at the Chamber office;
- leadership development, such as customer service seminars hosted at your business or the Chamber;
- business growth, such as free Workforce Development presentations by the County of San Bernardino;
- networking opportunities, such as monthly Chamber mixers; and
- recently added programs, such as Let's Go Shop/Let's Go to Lunch.

Those in attendance at New Member Orientation are encouraged to bring their questions, concerns, and comments. Coffee will be provided.

New Member Orientation sessions are one of the many ways the Chamber reaches out to its members and local businesses. If your business is interested in hearing about the benefits of Chamber membership, please call Jessica at 760-367-3445 to schedule a presentation.
