19.41.010 Purpose

- A. The purpose of this Chapter is to establish the regulations governing the use of a residential dwelling unit as a vacation home rental, as defined herein. The owner of a vacation home rental shall apply for and secure a permit authorizing such use in the manner provided for by this Chapter in order to safeguard the peace, safety and general welfare of the residents of Twentynine Palms by eliminating excessive noise, disorderly conduct, vandalism, overcrowding, traffic congestion, illegal vehicle parking and the accumulation of refuse related to vacation home rentals.
- B. Prior to the adoption of the provisions contained in this Chapter, there were no provisions in the City’s Development Code or the County’s applicable Land Use Regulations that identified or allowed the establishment of a “vacation home rental” as a legally permitted land use. Accordingly, nothing in this Chapter shall be construed to identify or allow an existing use to be classified or considered a legal nonconforming vacation home rental land use subject to the provisions and allowances of Chapter 19.142 (Nonconforming Buildings and Uses).

19.41.015 Definitions

For the purpose of this Chapter, the following definitions shall apply:

- A. Agent. The representative, if any, designated by the owner in accordance with Section 19.41.030 (Owner’s Agent).
- B. Occupant. Any person who occupies or is entitled to occupy by reason of concession, permit, right of access, license or other agreement for a period of 30 consecutive calendar days or less, counting portions of calendar days as full days. Any such person so occupying space in a vacation home rental

is a transient until the period of 30 days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy. In determining whether a person is a transient, an uninterrupted period of time extending both prior and subsequent to the effective date of this Chapter may be considered.

- C. Owner. The person(s) or entity(ies) that hold(s) legal and/or equitable title to the residence for which the vacation home rental permit is sought.
- D. Vacation Home Rental. A permitted short-term rental of any detached single-family dwelling or any portion of any detached single-family dwelling for occupancy, dwelling, lodging or sleeping purposes for a minimum of two consecutive nights, but no more than 30 consecutive calendar days in duration. "Short-term rental" is included in the definition of "hotel" for purposes of collecting transient occupancy tax pursuant to Chapter 3.24 of the Municipal Code. A vacation home rental shall be considered a short-term rental for purposes of Chapter 3.24 of the Municipal Code.

19.41.020 Permit Required

No owner of a vacation home rental shall rent, offer to rent, or advertise for rent the vacation home rental to another person without a valid vacation home rental permit approved and issued in the manner provided for by this Chapter.

- A. Vacation home rental use shall be limited to only those dwelling units that are physically separate, "stand-alone" single-family residential units, not attached to or sharing a common wall, with any other residential unit being considered for the vacation home rental.
- B. A vacation home rental use may be established on any parcel within any land use/zoning district when such property is occupied by one or more physically separated structures built as individual single-family residential homes. Subject to the requirements and standards established in this Chapter, and approval of a Conditional Use Permit in compliance with the procedures and findings established in Chapter 19.42 (Conditional Use Permit), the Planning Commission may approve the use of attached residential units that the Planning Commission determines warrant consideration based upon their historic character or community value.

19.41.025 Application Fee

An application for a Vacation Home Rental Permit shall be accompanied by a fee established by resolution of the City Council, provided, however, the fee shall be no greater than necessary to defer the cost incurred by the City in administering the provisions of this Chapter.

19.41.030 Owner's Agent

An owner may retain an agent or a representative to comply with the requirements of this Chapter, including, without limitation, the filing of an application for a permit that has been signed and notarized by the owner, the management of the vacation home rental, and compliance with the conditions to the permit. The permit shall be issued only to the owner of the vacation home rental. The owner is

responsible for compliance with the provisions of this Chapter and the failure of an agent to comply with this Chapter shall be deemed noncompliance by the owner.

19.41.035 Application

The owner or owner's agent shall submit an application for a Vacation Home Rental Permit to the Community Development Director (Director). The application for a Vacation Home Rental Permit shall be upon forms provided by the City and shall contain at a minimum the following information:

- E. Acknowledgement of receipt and inspection of a copy of all regulations pertaining to the operation of a vacation home rental in the City.
- F. Such other information as the Director may deem reasonably necessary to administer this Chapter.

19.41.040 Findings for Approval

Prior to approving an application for a Vacation Home Rental Permit, the Director shall find that all of the following are true:

- A. That the site upon which the vacation home rental use is to be established is adequate in size and shape to accommodate said use.
- B. That the residential character of the neighborhood in which the use is located will be maintained and preserved and that the issuance of the permit will not be detrimental to the public health, safety and welfare of the residents in the neighborhood or injurious to the community within the vicinity and the district in which the use is located.

19.41.045 Notice

Prior to approval of a Vacation Home Rental Permit, the Director shall notify all owners of property within 300 feet of the site by first-class mail that a permit application has been received and is pending approval. The notice shall be mailed at least 10 days prior to making a final determination on the application. The notice shall provide a brief description of the use requested by the applicant, shall indicate the date the permit will be issued, and shall indicate where information regarding the application may be obtained.

19.41.050 Denial of Permit

No application for a permit, or a subsequent renewal, shall be denied if it meets the conditions of permit issuance pursuant to this Chapter. No permit or renewal of a permit may be issued to the same owner if a permit for the vacation home rental location has been revoked within one year of the application date, or is in the process of being revoked pursuant to Section 19.41.080 (Noncompliance) of this Chapter.

19.41.055 Appeal

Appeal of an action made pursuant to this Chapter shall be filed in accordance with Section 19.28.120 (Appeals), except that the appeal shall be filed within 10 days of the date of notice, as required in Section 19.41.045 (Notice).
